25th Anniversary of Improving Students

“Bringing out the Best in Kids” is the motto of Optimist International and there is no greater event that emulates this passion than our “Most Improved Student Project.”

Started in 1993, Weddington Optimist Club has been recognizing students who found the call to “do better.” This year’s event includes students from 3rd, 4th & 5th grades from every elementary school in Union County.

These kids represent the next generation of those who understand the value of hard work, persistence and the importance that we all are under construction and there is room for improvement.

Please join us for this most inspiring event. If you have any new items to donate for goody bags or want to volunteer, please contact project chairperson Dave Arone (704)770-7359.

COMPUTER ESSAY SCHOLARSHIP PICNIC

As usual Milton did an excellent job with this event. With inclement weather approaching, we shifted into high gear and within 1 1/2 hours; fed everyone, recognized 11 most appreciative students/families and cleaned up.

A big thank you to Rick & Joan with handling the food and serving items and to everyone that helped! All went well and had a GREAT time!
Playground gets a facelift... Many thanks to Jed & Nikki on helping with pressure washing the playground equipment. Installed over 20 years ago; it looks like NEW! We also installed the first of many Optimist Creed ballfield signs. Sharing the good news of Optimism!
Hunter (right) played in a Junior Optimist Golf Tournament earlier this year and recently was recognized as Conference Player of the Year for the 2ARocky River Conference. His team at CADA also qualified for the 2A Mid West High School Regionals. Good luck Hunter and team CADA!

“Bringing Out the Best in Kids” is our Game! Weddington Optimists is our Name!
